## DETAILED ACTION

### *Examiner's Amendment*

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in the attached e-mail message from Leah Sherry, Esq., on 23 August 2003.

The application has been amended as follows:

Amend claims 23 and 36 as indicated in the attached e-mail message of 23 August 2003 from Leah Sherry, Esq.

Amend lines 5 and 11 of claim 45 as indicated in the enclosed marked copy of the claim.

### *Allowable Subject Matter*

3. Claims 23-46 are allowed.
4. The following is an examiner's statement of reasons for allowance: the closest prior art, Borowsky (non-patent literature entitled "Wells Fargo's credit card is a natural advantage", *Bank Management*, June 1993) in view of Wells Fargo (NPL entitled "Wells Fargo links its plastic with mortgages", *San Francisco Examiner*, 16 April 1993), does not teach or suggest calculating an installment loan benefit amount for a given period based on the accumulated value of purchases during that period. This applies to all independent claims 23, 36 and 45. Borowsky and Wells Fargo do not teach a period for period matching of the benefit amount and the purchases from which the benefit amount is derived. The closest prior patent art, Fernandez-Holman (US005787404A) teaches this period for period matching, but with the benefit applied to an investment fund, not to an installment loan. The prior art does not teach or suggest adding the teachings of Fernandez-Holman to those of Borowsky and Wells Fargo. The closest foreign patent prior art is CA 2237109 A, which teaches credit card purchase rebates.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
